Assistant Coach Steve Lukco

Hi, Coach Steve Lukco here! I have been swimming competitively since the age of 6. I still participate in our Master's Program! I have been coaching for approximately 25 years, since graduating from Warren Western Reserve high school in 1985. After High School, I swam in college for 2 yrs. before leaving to work for a living. I have been coaching the last 15+ years with WHAT, WGH, and WMS. I was a teacher for 10 years at Harding, and now I have been working at Kennametal located in Orwell for about 6 years. I have a beautiful wife, daughter, and 2 golden retrievers. I am looking forward to another great year of Warren Swimming, especially coaching alongside my daughter Sydney. Go Raiders!!

Assistant Coach Sydney Lukco

Hi! My name is Sydney Lukco and this is my third year coaching WHAT! I am a 2021 graduate of Warren G. Harding High School. I have been around this pool for a very long time, thanks to my dad. He is the one that introduced me to swimming! My swimming career started when I was 6 years old and it lasted all the way up to my senior year. Being a coach for a couple years is a whole different experience than just being a swimmer and I have loved every minute of it! If I'm not at the pool, I'm either working my other job at a salon or I'm at home with my two golden retrievers Snubby and Honeybee! This is also my second year coaching the High School team and also our Middle School team. I am very excited for the upcoming season of WHAT, our high school, and middle school programs!
